ORDER:-

Sri Tummala Nageswara Rao, M.L.A., Khammam, in his representations read above, has informed that there is an existing Mirchi Market Yard in Khammam III Town area which has to be shifted away from the Residential Area to Outer limits of the Khammam Town, the public are facing much suffocation and problem in breathing during summer in every year and sufficient Government Land is available in and around Khammam. He has requested the Government to shift the Market Yard, Khammam to outskirts of Khammam Town.

2. The issue was discussed with the District Collector, Khammam and the Commissioner and Director of Agricultural Marketing. Government land is said to be available on the bye-pass road / highway on both sides of the road. It was found feasible that both parcels of vacant government land could be earmarked to the Agricultural Market Committee, Khammam by the District Collector, Khammam for developing market infrastructure such as transit godowns / cold storage facilities including shopping complex for traders and office buildings on oneside of the road and the day-to-day market operations including auction platforms and related infrastructure on the other side of the road taking into consideration future growth of agricultural markets in a District like Khammam known for commercial crops and endowed with command area (N.S.P.) benefiting farming community. The existing market yard complex / area could continue to serve the purpose to step-up marketing of fruits / vegetables and other perishables with required up-gradation of existing facilities to over come congestion problem and to safeguard public health in the surroundings so as to not to cause pollution to the locals.

3. Government after careful consideration of all these aspects, it is decided to convey in principle approval for shifting of main Agricultural Market operations in to the proposed site / area / premises.

4. Further, the Agricultural Market Committee, Khammam is directed to submit alienation proposals for allotment of government land to the District Collector, Khammam within (15) days, as required.
